Fidelis Achenjang
87 Spruce Tree St
Barbourville, KY 40906-7446

Dear Fidelis:

Thank you for your gift of \$190.00 for the Union Fund in honor of the Nkemnji Achenjang Foundation. A receipt is enclosed for your records and according to IRS regulations, no goods or services were given in exchange for this contribution. Private gifts like yours assure that our students will benefit from scholarships, the latest technology, updated facilities and quality academic programming.

The spring semester has drawn to a close. On May 5th the Class of 2007 proudly received their diplomas and began their life quest. We are so appreciative that you have invested in Union College and helped to make their dream of a college education come true as well as for those who follow in their footsteps.

The geothermal project on campus will wrap up in August. Students are especially pleased that when they return to campus in the fall, new windows in Pfeiffer will be in place as well as HVAC. The antiquated boiler system was officially shut down April 19th with no more steam leaks or windows being open to let the heat escape to be seen in Union's future. Geothermal HVAC systems in the Chapel and Lakeside are on schedule to be completed in the weeks ahead. Window unit air conditioners will be replaced in Centennial Hall and Stevenson Residence Hall with heat pump systems.

Looking forward—the College is raising funds for the completion of the Soldiers & Sailors Memorial gym to be the home of the wellness center and intramural activities, the upgrading of “new” and “old” College Courts to meet our housing needs, and a multi-purpose sports turf field to be used for football, soccer, intramural activities, band camps, and more.

Thanks again for your support of Union's mission. If we can be of assistance to you, please feel free to contact us.

Sincerely,

Denise Wainscott
Vice President for Advancement
